Understanding Your Insurance Options

Due to the Affordable Care Act, Medicaid is expanding to cover more people and tax credits are now available to help pay for private insurance. As part of the Connect for Health Assistance Network, Doctors Care can help you:

- Determine your eligibility for expanded Medicaid or tax credits to help lower the costs of an insurance plan.
- Understand your insurance plan options.
- Enroll in a plan that's right for you through the Connect for Health Colorado Marketplace.

Let Doctors Care help you explore your options
