

Open Enrollment for Health Insurance Begins November 1, 2018

As a Connect for Health Colorado Assistance Site, Doctors Care can help you enroll in a 2019 plan.

We can help you:

- Enroll for the first time
- Renew your coverage
- Apply for financial assistance
- Browse and compare plans

As premiums go up, tax credits go up too. Did you know that a family of 4 making up to \$100,400 can qualify for financial assistance?

Open Enrollment will run through January 15, but if you want coverage beginning January 1 you must enroll by December 15.

Saturday appointments
November 10
at Doctors Care location!

Schedule your **FREE** appointment with a Certified Assister at one of our locations:
Doctors Care in Littleton • Englewood Library
Castle Rock Library • Douglas County Human Services
