

Donor Privacy Policy

Doctors Care is committed to protecting the privacy of its donors. Doctors Care maintains records that include general information about its donors that may contain names, mailing addresses, phone numbers and email addresses where provided. Personal information gathered from donors, both online and offline donors, is for internal use only and used solely for fundraising purposes and for cultivating relationships with donors. Donor information is stored on a secure, password-protected internal server.

If you are a current donor and no longer wish to be publically acknowledged, please contact Doctors Care by phone at 720-458-6204.

What information Doctors Care collects from you:

When you enter our website or submit personal information in any format, be assured that the only information we collect is that which is volunteered by you when you make a donation, send us feedback, or ask to be on our mailing list. We do not sell, share or trade any of this personal data, nor do we maintain any credit card information.

How Doctors Care uses the information we collect:

The information we collect (names, addresses, phone numbers and email addresses) is stored in our secure, password-protected database of supporters. This helps us keep you updated on Doctors Care efforts, related issues, and special announcements.

If you do not want to receive materials from us, please contact Doctors Care.

What security measures Doctors Care has in place:

Because we regularly deal with sensitive information, we have appropriate security measures in place in our physical facility to protect against the loss, misuse or alteration of information that we have collected at our site.

How this Privacy Policy may be modified:

From time to time, Doctors Care may change this policy. If we do, we will not use any personal information we have already collected from you in any new manner without first obtaining your consent.
